LOCC

- A 21st Century Community -

In response to your requests, we are augmenting the current traditional methods of giving by check or electronic transfer with the following:

Make a totally secure online donation to LOCC via credit or debit card - click the *PayPal* image (accumulate "miles" or "points," while giving to the church.)

- a PayPal button will be included in the newsletter each week -
 - eventually the new LOCC website will also include a similar donate button -
- (one time donations via *PayPal* may not exceed \$2,000)

Donate securities to the church

E-TRADE

- you may give securities through the LOCC E-Trade account -
- Contact LOCC treasurer [Steve Harrold](#) to request the proper forms and LOCC E-Trade account number.

Current tax guidelines provide for the gifting of appreciated stock to the church while completely avoiding capital gains taxes. The church receives the appreciated value of the stock; you receive the full charitable deduction; while paying no taxes on the gain. This is a highly tax-effective way to support the ministry of LOCC. The donated securities will be sold and the proceeds will be held in those instruments deemed safe and secure in accordance with the Investment Policy of the Stewardship Ministry Group of LOCC.

We encourage you to use whatever method is preferable and most convenient. Please be aware that a small service fee (currently approximately 3%) is associated with each transaction.

If you have any questions regarding *PayPal* or E-Trade, please contact:
Steve Harrold, LOCC Treasurer - steveharrold@plantationcable.net
Ed Coker, Stewardship Ministry Group Chair - elcoker@bellsouth.net

LOCC truly appreciates the efforts of its members. Everything that we do for worship, education, and most significantly, outreach to our neighbors in need, is made possible by your kindness when volunteering and your generosity when giving. Thank You!
